RE: #2 Amoco "A"
NE NW 33-13S-44W

Gentlemen:

In May 1982 a verbal approval to abandon this well was given; however, no subsequent report of plugging and abandonment was ever received. On August 22, 1985 the location was inspected and confirmed that the well was abandoned.

We have written you several times for the final plugging and abandonment report, OGCC Form 5, but to date have had no response. Please submit this report by March 15, 1986, or an explanation why you cannot do so.

Very truly yours,

William R. Smith
