**Subject:** State Reportable Release 24 Hour Notification - Bryant 16-30 Wellhead

---

Good afternoon,

We identified a state reportable release following the identification of historically impacted soil of an unknown volume. This release was not an active release. A Form 19 Release Report is forthcoming. This release did not threaten the Public Water System, residences or occupied structures, livestock, wildlife, air quality, or publicly-maintained roads.

The following have been notified via specified method below:

- Weld County contact via electronic mail
- Surface Owner notification in process
- Colorado Parks and Wildlife via electronic mail (Bald Eagle Active Nest Site – Quarter Mile Buffer; Bald Eagle Roost)

The Environmental Release/Incident Report Hotline was not contacted as this release did not trigger notification requirements per 912.b.(2)B.

Location Details:

- Well Name: Bryant 16-30 Wellhead
- Location: SESE 30 2N 68W
- Latitude/Longitude: 40.103067, -105.041443
- Location ID: 05-123-31730

Please let me know if you have any questions.

Thank you,
