East of Frontier in Firestone. Ridgeway Blvd in Frederick turns into Frontier, a dirt road, in Firestone. The operation is just east of Frontier, clearly seen.

**Detailed description of the issue(s) \* (?)**

Please provide as much detail as possible. It is important to narrow down the issue(s).

The huge issue is 24/7 loud, airplane engine noise! It gets extremely loud, vibrational low, humming, beeping noise ALL THE TIME. We cannot enjoy the outdoors at all, it wakes us at night, it goes on all day and night, with hardly any breaks. We used to be able to wake to the sounds of silence, birds, and the trains in Fort Lipton. Now, all we ever hear is the equivalent of airplane engines humming overhead. It's not good for mental health, it's not good for our property values, and it certainly isn't good for the environment. It's flat out noise pollution and I am requesting that you investigate and mitigate this issue.
