Comment:

<p>After reviewing the Operator supplied drone imagery, the Operator removed gravel, regraded and contoured the disturbance areas. More than two growing seasons have indicated no significant unrestored subsidence. The well and access road are reflective of reference crop areas and meet Rule 1004 standards.</p> <p>The associated tank battery will be addressed with a separate field inspection report under Location ID 418858 once a Final Reclamation Complete Notice has been submitted.</p>
