OPERATOR COMMENT AND SUBMITTAL

Comment: Operator had location inspected on 2/19/2025 to prepare for upcoming seeding schedule. Location is currently in winter conditions and inaccessible for heavy equipment due to mud. Location will be over-seeded and mowed as part of annual reclamation blitz this spring. (Webforms would not allow upload of location pictures from field visit on 2/19/25)

I hereby certify that the statements made in this form are, to the best of my knowledge, true, correct, and complete.
