Comment Appears interim reclamation activities have been performed to reduce disturbance areas only needed for production operations. A vegetative assessment will be performed at a later date during the active growing season to verify interim reclamation regulations and standards and will therefore remain "In-Process". Operator shall continue to monitor and manage this site until the location meets Rule 1003 standards, including stormwater and weed management. Operator shall submit a Form 4 Interim Reclamation Complete notice when the location meets Rule 1003 standards. ECMC may conduct inspections prior to receiving said notice to ensure compliance with Rule 1003.
