Dear Sir:

**Re: AUTHORITY TO NOT SET A SURFACE PLUG; ASSUMPTION OF  
FURTHER RESPONSIBILITY FOR BEECH 4A-1 WELL**

I, DeLynn Turner, landowner of the NE 1/4 of the NE 1/4 of Section 4, TWP 34 SOUTH, RANGE 46 WEST, of Baca County Colorado, on which Beech 4A-1 well is located, hereby grant Paroo Petroleum (U.S.A.), Inc., Operator, authority to not set a surface plug in this well in order that I may utilise the well as a source of fresh water for irrigation and other purposes.

Provided that the cement plug at the base of the 13-3/8" casing (1985 ft) has been set to the satisfaction of the Oil and Gas Conservation Commission, I also assume the responsibility to plug this well upon its abandonment as a water well in accordance with the rules and regulations of the Colorado Oil and Gas Conservation Commission.

In addition, I agree to obtain from the Division of Water Resources an approved permit to complete this well as a water well prior to the commencement of related activities and I agree to furnish the Oil and Gas Conservation Commission with a copy of this permit.

Sincerely,

A handwritten signature in cursive script that reads "DeLynn Turner".
