

ECMC Complaint Intake Tool

By Submitting this form you are requesting an investigation of compliance with ECMC rules.

Note: Please provide as much detail related to location and issue as possible. Without enough detail, the ECMC will not be able to process or investigate the complaint and, therefore, the ECMC will have no choice but to discard the complaint.

File a written complaint via e-mail instead. -- [Email ECMC Complaint](#)

DESCRIPTION OF COMPLAINT

(Please be as specific as possible)

Location of Concern *

Please provide as much detail as possible. It is important to narrow down the location.

On January 16, 2025 The ECMC finalized form 27 (document number 403909415), on a spill that originally occurred on 8-23-2024. In that form ECMC ordered KP Kauffman to:

"As required by Rule 915.e.(3)A.ii, Operator will install monitoring wells (within the spill/release area, cross-gradient, down-gradient, and up-gradient) to properly characterize groundwater pursuant to Rule 915 and determine hydraulic gradient. ECMC approves the proposed monitoring well locations; however, additional monitoring wells may be required based on ongoing site investigation and remediation. Additionally, Operator shall:
- Install the monitoring wells and soil borings within 45 days from approval of this form."

The 45 day period has passed and NO activity has/is taking place on the site.

MY complaint is that the operator is in violation of ECMC's order on form 27, regarding installing monitoring wells and other items. I am very concerned that the Operator complete the cleanup in a timely manor.

Detailed description of the issue(s) * (?)

Please provide as much detail as possible. It is important to narrow down the issue(s).

On January 16, 2025 The ECMC finalized form 27 (document number 403909415), on a spill that originally occurred on 8-23-2024. On February 11, 2025 I emailed the operator (attached) asking to have an on-site meeting concerning the upcoming work that needed to be done to comply with the order. Cullen Chew KPK's Environmental Coordinator responded by saying they were too busy to comply with the order and would probably get to it after 60-90 days. My response to them was the 45 day requirement was not mine but that of ECMC, and If KPK received an extension from ECMC please let me know. As of this date I see no revision to the form 27, which is where I assume and extension would be recorded if one have actually been given.

Is this an ongoing issue(s)? *

Yes No

Do you know who the oil and gas company is? *

Yes No

Oil and Gas Company Name

KP Kauffman

Did you contact the oil and gas company? *

Yes No

Oil and Gas Company Contact Name

Cullen Chew

Well or Facility Name

Please provide if known

Facility 3 @ Rasmussen Flowline

Well or Facility Number
