**General Comment:**

[ECMC Inspection Report Summary](#)

On Tuesday, 03/11/2025, Inspector Kirby Burchett, conducted a routine field inspection at Antler Energy LLC on Klaenhammer 1 well, Location #312861, in Moffat County, Colorado.

This location is within or in close proximity to a Colorado Parks and Wildlife (CPW) District with High Priority, NSO, and Density Habitat regulations.

Any Corrective Actions from previous Inspections are still applicable.

While there during normal operations the following compliance issue was observed:

1. Debris.
2. Stained soil.
3. Unused equipment.
4. No sign at tank battery.
5. Equipment open to wildlife.
6. Damaged and missing tank labels.
7. Open end tank valve.
8. Lube oil tank missing spill containment.

Refer to Inspection Photos for observed compliance issues.

A follow up on this site inspection will be conducted to ensure all compliance issues have been corrected to comply with ECMC rules.

| Location                               |  |        |            |
|--|--|--------|------------|
| Overall Good: <input type="checkbox"/> |  |        |            |
| <b>Signs/Marker:</b>                   |  |        |            |
| Type                                   | OTHER  |        |            |
| Comment:                               | As Location Entrance signs are replaced: The Well name; The Commission's Location identification number (ID #); The Operator's telephone number where it may be reached at all times; and the Telephone number(s) for local emergency services (911 where available) will be required.   |        |            |
| Corrective Action:                     |  | Date:  |            |
| Type                                   | TANK LABELS/PLACARDS   |        |            |
| Comment:                               | Damaged tank label   |        |            |
| Corrective Action:                     | Operators will ensure that container and tank labels are well maintained and legible, and will replace damaged or vandalized labels within 10 days of discovery that the label is no longer legible or is damaged.   | Date:  | 03/22/2025 |
| Type                                   | CONTAINERS   |        |            |
| Comment:                               | Lube oil tank  |        |            |
