**General Comment:**

CECMC Inspection/Audit Report Summary

On 03/10/2025 at approximately 13:15 hours, I, Compliance Specialist, Wayne Smelser

Conducted a follow up inspection/audit at QB Energy SHAEFFER 31-6 (H-36) Pad.

Location # 334904 in Garfield County Colorado.

Please refer to inspection/audit 707801213 conducted on 11/12/2024, previous corrective action has been completed.

Location is within High Priority/Density/Black Bear Habitat areas.

While there, I observed normal production operations.

During this inspection/audit the following compliance issues were observed:

1. Signs/Marker - Tank battery lacks required signage with a CA date of 04/10/2025
2. Inspected Facilities - BJM 31-3C1 well lacks wellbore diagram/not in compliance with CECMC rules with a CA date of 04/10/2025
3. Stormwater - Erosion & transport of sediment/insufficient BMP's with a CA date of 03/26/2025

A follow up on this site inspection/audit needs to be conducted to ensure the compliance issues have been corrected to comply with CECMC rules.

This is a summary of inspection/audit report.

Dual Lease - Shared facilities with the BENZEL 36-8 (H-36) location # 334974
