**Subject:** State Reportable Release 24 Hour Notification - Sarchet-Karich 32HZ

Good afternoon,

We identified a state reportable release following the identification of historically impacted soil of an unknown volume. This release was not an active release. A Form 19 Release Report is forthcoming. This release did not threaten the Waters of the State, Public Water System, residences or occupied structures, livestock, wildlife, air quality, or publicly-maintained roads.

The following have been notified via specified method below:

- Weld County contacted via electronic mail
- Surface Owner notification in process

The Environmental Release/Incident Report Hotline and Colorado Parks and Wildlife was not contacted as this release did not trigger notification requirements per 912.b.(2)B.

Location Details:

- Facility Name: Sarchet-Karich 32HZ
- Location: NENE 32 3N 66W
- Latitude/Longitude: 40.188305, -104.793153
- Facility ID: 487814

Please let me know if you have any questions.

Thank you,

**Jaron Bartoszek, Environmental Advisor**
