**SUBMITTAL**

**OPERATOR COMMENT AND SUBMITTAL**

This transfer has been discussed with Jeremy Ferrin at the ECMC. Own Resources Operating, LLC proposes to put these wells under their approved Option 5 assurance plan. No additional bonding is required for 702, 703 and 704 since blanket bonding is already in place and/or no other facilities in those categories are added. No additional bonding is required for 701, since the approved Option 5 bonding Own has P&Ad more wells (50+) then it is currently adding (39).

I hereby certify all statements made in this form are, to the best of my knowledge, true, correct, and complete.
