Bayswater Exploration & Production LLC
730 17th Street, Suite 500
Denver, CO 80202

**RE: ECMC Rule 408.u. Statewide Fracture Stimulation Setback
SWNE Section 35, Township 6 North, Range 65 West
Proposed Horizontal Wells: Apache State E35-661
Weld County, Colorado**

To whom it may concern:

Noble Energy, Inc. ("Noble") is applying to the Colorado Energy & Carbon Management Commission ("ECMC") to drill wells on the above referenced location. ECMC Rule 408.u. stipulates that no portion of a proposed wellbore's treated interval shall be located within 150 feet from an existing (producing, shut-in, or temporarily abandoned) or permitted oil and gas wellbore's treated interval without the signed written consent from the operator of the encroached upon wellbore. As currently planned, the treated interval of the following wells operated by Bayswater Exploration & Production LLC ("Bayswater") are within 150 feet of the proposed horizontal's treated interval:

Noble Proposed Well	Encroached Upon Well	API No.	Interwell Distance
Apache State E35-661	Little Will 8	05-123-11986	68.14'

Per ECMC Rule 408.u., Noble is requesting Bayswater's consent to the encroached upon setback for the existing wells referenced above. Should you find this acceptable, please so indicate by executing a copy of the consent and returning to my attention in the provided self-addressed stamped envelope.

If you should have any questions or require additional information, please contact me at your earliest convenience at (303) 318-6140 or Mark.Seligman@chevron.com.

Regards,
NOBLE ENERGY, INC.

Mark Seligman
Land Representative
