Gentlemen:

Attached please find the original and one copy of the A.P.D. and a check for \$75.00 covering the captioned well. The well was staked Friday, August 28, 1981 and the surveyors plat will be sent to you in the next couple of days.

Toltec Drilling Company's rig #1 has come loose on short notice and should be ready to move onto this location Wednesday, September 2, 1981. Consequently, immediate verbal approval of this application would be greatly appreciated.

If you have any questions please contact me.

Very truly yours,
