Location ID: 427114

**Photo 1.** Looking north across the tank battery location. weeds have been controlled around the tank battery and within secondary containment.

**Photo 2.** Tank battery sign. Weeds have been controlled.

Inspection Photos  
Location Name: Bosky PC/Z22-14 Tank  
Location ID: 427114

**Photo 3.** Looking north down the east side of the location. Bucket of oil has been removed. Produced water tank without secondary containment remains on location.

**Photo 4.** Looking at the joint between produced water tank and separator. Does not appear to be leaking. Some soil may have been removed around the joint.

Inspection Photos  
Location Name: Bosky PC/Z22-14 Tank  
Location ID: 427114

**Photo 5.** Looking south at the separator. Undesirable weeds such as Kochia and Russian Thistle are present behind the produced water tank (red circle).

**Photo 6.** Deep ruts in the access road to the west of the tank battery.
