Re: Cancellation of Intent to Drill  
Release of Drilling Bond  
Windler 1-18D  
SW/4 SW/4 Section 18-3S-65W  
Adams County, Colorado

Dear Mr. McKee,

Per our conversation, I no longer own the lease on the Windler property so I have decided to let my Intent to Drill expire. It is my understanding that you need this letter confirming my intentions before you will release my Plugging Bond.

Let this be notice then that I never drilled the Windler 1-18D and, because I no longer own the lease, will not drill the well in the future (unless I re-acquire the lease).

Very truly yours,

*James Dillie*
