Re: #248-1 Cottonwood - UPRR Well
E 1/2 SW 1/4 Section 11, T3S, R65W
Adams County, Colorado

Dear Mr. Bicknell:

Please be advised that the above referenced well has produced from the "D" sand only. The perforated interval listed on the completion report is correct. However, it has been incorrectly listed as being the "J" sand instead of the "D" sand. No completion attempts have been made in the "J" sand.

Very truly yours,
