Operator Comment: This FIRR is being submitted in response to FIR #714000956. Due to limited contractor availability, scheduling challenges, and seasonal growing conditions, Kinder Morgan initiated the application of soil amendments and topsoil to areas exhibiting sparse vegetation cover on December 10, 2024 as described in a Form 4 (Doc

#404031752). Spring seeding conditions recently became optimal and Kinder Morgan completed the final application of BLM approved seed mixture and straw, with exclusionary fencing to restrict grazing.
