**General Comment:****ECMC Inspection Report Summary**

On Wednesday 5/7/2025, I, Inspector Scott Ramsey, conducted a follow up inspection at Surprise CTB, at Location # 436676 in Jackson county Colorado.

Any Corrective Actions from previous Inspections that have not been addressed are still applicable.

While there, I observed a tank battery. This location is within or in close proximity to a CPW Density/High Priority Habitat, black bear, NSO habitat, Wildlife black bear Management and Density habitat.

During this inspection the following possible compliance issues were observed:

1. Dehy lacking bird protector
2. No access or evidence of calibration cards.
3. Stored equipment
4. Totes not contained.

Refer to photograph of observed compliance issue.

A follow up on this site inspection will be conducted to ensure the compliance issues have been corrected to comply with COGCC rules.

This is a summary of inspection report.
