Dear Fred:

Reference is made to your letter dated December 11, 1957, regarding the Continental and Johnson leases.

On further check of our files, I find that all necessary information is available for the Continental lease; however, I would appreciate your making out a Form 6, Plugging Record, for the Johnson lease, giving specifically the method and date of plugging.

I appreciate your early attention to my previous request, and if we can ever be of assistance to you, do not hesitate to call upon us.

Very truly yours,

OIL AND GAS CONSERVATION COMMISSION

William R. Smith, Chief Petroleum Engineer
