Corrective Action: Operators shall provide all historical data showing the pit was closed, per COGCC/ECMC regulations at the time of closure.

Date: 07/22/2025

Response: FACTUAL REVIEW REQUEST

Basis for Review: Operator does not own or operate the location

Operator Comment: This location was apparently P&A'd prior to Ogris Operating, LLC. and was done under a different operator. Although Ogris Operating, LLC. currently owns the location, we have no records of when this was completed or if/when any pit was back filled at this location. Upon checking the ECMC data files, it looks like a Form 6 was filed

in 2009. Three 'change of operator' were filed, ending with the Ogris Operating, LLC. field acquisition in 2021. We are happy to file to officially close this location, but we have ZERO historical records of site/pit closure and any reclamation efforts.
