604.b considerations																								
Any variance or other relief required																								
Tier Classification																								
The following items should be answered in a written narrative format and attached to the Form 2A as "ALA Narrative Summary" (PDF format)																								
Description of potential impacts to health, safety, welfare, wildlife, and the environment related to the development of this location																								
Description of advantages and disadvantages associated with this location																								
Permitting considerations for this location																								
Conditions or factors that make the location unavailable																								
Any other considerations
