Gentlemen:

We are in receipt of a copy of Sohio Petroleum Company's letter to you dated August 16, 1983, requesting approval to commingle the 'J' Sand production with the presently producing 'D' Sand production in the Nigrelle 5-1 Well located in the NE $\frac{1}{4}$ NE $\frac{1}{4}$  Section 5-T3S-R64W, Bear Gulch Field, Adams County, Colorado.

This is to advise that Koch has no objection to the request by Sohio to commingle the 'J' Sand production with the presently producing 'D' Sand production in the subject well.

Yours very truly,
