Gentlemen:

As requested, enclosed is a complete copy of our file in reference to the above-captioned well. As you can see, I advised the State on February 9, 1983, that this well was not to be drilled and requested that our bond be cancelled. Our insurance company has now written us advising that the bond was never cancelled.

Please let me know if there is a problem regarding this bond cancellation.

Sincerely,

C. E. Schuster
