Mr. C. H. Anderson  
Attorney at Law  
Farmers State Bank Building  
Brush, Colorado

Dear Mr. Anderson:

We have sent you the forms requested over the telephone this morning.

Upon review of our files we note that the Denver Basin Oil Company has filed no papers with this office in connection with Lee #3 and Lee #4 wells, in the Lee Field, Morgan County.

Is it possible that these wells may have been reported under some other company's name? Will you please check this and let us know.

*Received*

Sincerely yours,

Director.
