<p>CECMC Inspection Report Summary                      On Wednesday August 27th 2025, at approximately 11:26am. I, Inspector Chane Finkenbinder, conducted an on-site inspection.                      Operator: KP KAUFFMAN                      Location name: UPRR 24 PAN AM C #1                      API # 001-07300                      Location ID #: 319922                      County: Adams                      While there, I observed a shut in well.                      During this inspection the following possible compliance issues were observed:                      • Rule 606: Weeds, dead weeds. Within the designated setback (25 feet around any and all equipment), remove trash, debris and weeds per Rule 606. Corrective Action Date 9/19/2025. See photos                      A follow up on this site inspection needs to be conducted to ensure the compliance issues have been corrected to comply with COGCC rules.                      This is a summary of inspection report.                      - This inspection does not nullify any orders or NOAV from the ECMC -</p>	finkenbc	09/02/2025
