

# Final Reclamation and Stormwater Inspection

September 9, 2025

Operator: WARD & SON\* ALFRED - 94300

Location ID: 316926

Well Name: STATE #2

Inspection Document #: 718600944

Washington County, CO

Anthony Dunnam  
Reclamation Specialist, ECMC

**COLORADO**

**Energy & Carbon Management  
Commission**

Department of Natural Resources

Inspection Photos  
Location Name: STATE #2  
Location ID: 316926

**Photo 1.** Looking north down the former access road. Some desirable vegetation is present. Undesirable weeds such as kochia are present in a higher concentration than the surrounding area particularly at the junction of the remaining access road.

**Photo 2.** Photo taken at the midpoint of the access road leading to the location. The access road does not appear to have been recontoured. A cattle path is present down the length of the road. vegetation density appears to be less than 80% of the surrounding area.
