Re: Bond #9996
Boswell-Frates Co.

Gentlemen:

Under the date of June 4, 1956, we executed a bond of \$2,500.00 for the plugging of well or wells under permits granted to Boswell-Frates Company, of Tulsa, for the drilling of well-- Rogers #1, SW $\frac{1}{4}$ SW $\frac{1}{4}$ Sec. 15-T10N-R50W, Logan County, Colorado.

We are now advised that this well was abandoned as per notice filed with your office July 2, 1956.

If the well has been plugged to your satisfaction, may we please have a letter from you advising that it is in order for us to terminate liability under our bond?

Yours truly,

D. K. Ehnes
Assistant Secretary
