ECMC Comments

Comment	User	Date
<p>ECMC Audit Report Summary On Monday 9/15/2025 at approximately 13:00 hours, I, Inspector Tom Peterson, conducted an on-site re-inspection at the PDC Energy Weld 152 31-10 CHZ Pad location #435175 in Weld County, Colorado. While there, I observed that the 3" pipe next to the wellheads had not been removed. During this inspection the following possible compliance issues were observed: Rule 606. with a corrective action date of 11/14/2025. A follow up inspection on this site needs to be conducted to ensure the compliance issues have been corrected to comply with ECMC rules. This is a summary of the inspection report.</p>	petersont	09/15/2025
