<p><b>ECMC Audit Report Summary</b>                      On Wednesday 9/17/2025 at approximately 12:50 hours, I, Inspector Tom Peterson, conducted an on-site inspection at the PDC Energy Ochsner 5G-421 location #430375 in Weld County, Colorado.                      While there, I observed weeds around the wellhead area. During this inspection the following possible compliance issues were observed: Rule 606. with a corrective action date of 10/17/2025. A follow up inspection on this site needs to be conducted to ensure the compliance issues have been corrected to comply with ECMC rules.                      This is a summary of the inspection report.</p>	petersont	09/17/2025
