1 CA# 206124

Corrective Action: Comply with 1004.a.- Remove all debris and utility equipment. Date: _____

Response: CA COMPLETED Date of Completion: 09/24/2025

Operator Comment: Operator has removed debris/posts from this location in order to comply with Rule 1004. Please note Civitas' plan regarding the utility equipment: While we plan to address some utility equipment (poles, wire, etc.) on other locations in the McCallum field, we do not believe it is required/associated with Loc ID 324584. A statement report is below documenting existing energized equipment to be servicing adjacent KPK assets. Site Recommendations: "Do not remove Utility Pole as it is part of an active Power Line. This Power Line can be tracked from a Live Wire (Meter with Voltage) to a KPK Well (API #05-057-05208)"
