<p>ECMC Inspection Report Summary                      On (10/2/2025) at approximately (11:30am), Inspector Keith Huck, conducted an on-site inspection.                      Operator: Renegade Oil and Gas                      Location name: Vetter 1-15A                      API #05-001-09008                      Location ID #: 320323                      County: Adams                      While there, I observed a (SI) well.                      During this inspection the following possible compliance issues were observed:                      Location is not accessible during normal business hours.                      Provide keys, combinations, or alternate method of access to comply with rule 204.                      See attached photos                      Corrective Action Date: 10/13/2025                      A follow-up on this site inspection needs to be conducted to ensure the compliance issues have been corrected to comply with ECMC rules.                      This is a summary of inspection report.</p>	huckk	10/07/2025
