

September 19, 1950

Mr. E. W. Forbes
Midwest Drilling Company Box 211
Rangely, Colorado

Gentlemen:

We are in receipt of a letter from the Daly General Insurance Agency stating that you have advised them the bond covering your drilling operations on Sec. 15 of Logan County on the Vesta Mollahan lease is no longer required.

To date we have not received notice from you of intention to abandon this well and cannot release your bond until you have completed the enclosed forms showing that the well has been properly plugged and that you have complied with regulations stipulated in Sec. 14 of the RULES & REGULATIONS PROMULGATED BY THE GAS CONSERVATION COMMISSION OF THE STATE OF COLORADO.

When we received these properly executed forms indicating you have filled these requirements, we will notify the bonding company.

Yours very truly,

John E. Cronin
