Re: E. W. Forbes
60407 - Bond of Oil & Gas Opr for
Brilling Oper. on Patented Land

Dear Sir:

The captioned bond was issued effective
October 18, 1949.

We understand that thirty days or so after
this date, the well was abandoned and plugged. A
short time ago a Plugging report was filed with your
office when it appeared that Mr. Forbes could not be
reached by mail.

We would appreciate your writing the Daly
General Agency, Capitol Life Building, releasing them,
so that the charge effective October 18, 1950 covering
the renewal can be cancelled.

Sincerely yours,
