60407 - Bond of Oil & Gas Opr for
Drilling Oper. on Patented
Land.

Dear Sir:

We were informed today by the Daly Agency who issued the captioned bond that they had not heard from you subsequent to our letter of May 12 regarding the captioned bond.

We would appreciate very much if you could issue the proper release to them so that they in turn can cancel their charge effective October 18, 1950.

Sincerely yours,
