Senior Petroleum Engineer

Re: Schwartz Lease - CR-147
Christianson Lease - CR-148
Washington County, Colorado

Gentlemen:

We wish to acknowledge receipt of and thank you for your letter of April 10th with regard to forms which we have filed with you on April 6th and forms which are to be filed.

In response to your letter, we are enclosing the following:

1. OGCC Form 7 - Operator's Monthly Production Report for the months of January and February, 1962.
2. OGCC Form 10 - Certificate of Clearance, in triplicate, in connection with the Schwartz Lease.
3. OGCC Form 10 - Certificate of Clearance, in triplicate, in connection with the Christianson Lease.

Please be advised that Form 3 - Bonds, covering these Leases are being secured, and just as soon as we have them completed, same will be filed with you.

We are sorry that there has been a delay in filing Form 7 for January and February, however it was our understanding these Forms had previously been filed by Mr. S. D. Johnson.

We trust the enclosures will fulfill your requirements with the exception of the Bonds which should be sent to you in approximately a week.

Yours truly,

Walter Duncan Oil Properties
