Gentlemen:

With reference to your recent inquiry as to the status of the Christianson-Redmond #1 and the Christiansen #1 (W. W. Ferris and Scoggins Petroleum Corp. as Operator), it has been decided that these two wells will not be drilled at this time. Therefore, we will resubmit Applications to Drill at a future date; and request that, by means of this letter, you refund the \$75.00/permit to this office.

If there is anything further you need to know regarding these wells, please feel free to call.

Yours very truly,

EXETER DRILLING AND
EXPLORATION COMPANY
