447438	LOCATION	AC			-	DINNEL 01,03, C26-20	RI

**General Comment:**

On September 9th 2025 Reclamation Specialist Corey McDonough conducted a Final Reclamation Inspection at Noble Energy Inc's Dinnel 1, 03, 26-20 Tank Battery location in Weld County, Colorado.

Any Corrective Actions from previous inspections that have not been addressed are still applicable.

It was noted that remediation project #27789 remains open. The location cannot receive a final reclamation status until all remediation projects on location are closed. Area EPS Kilian Collins has been included in this inspection report for notification purposes.

Refer to the final reclamation section of this report for additional details regarding location.

Refer to the photo-documentation attached to this report.

Comment:

Tank battery disturbance was recently seeded, evidence of germination occurring at the location. Area will remain in-process until location can be re-inspected during the next active growing season.

Refer to the summary section at the beginning of this report regarding open remediation status at the location.

Operator remains responsible for monitoring and managing this site until the location passes final reclamation, including storm water and weed management.
