Attention: Mr. A. F. Woodward

Gentlemen:

Last week I discussed with Mr. Woodward the No. 1 L. E. Miller well, SE $\frac{1}{4}$ SE $\frac{1}{4}$, Sec. 21, T-3S, R-50W, which was approved for drilling May 29, 1963. At that time, he advised that, although his organization no longer had plans to drill the well, they were turning it over to Knight & Smith.

must have drilled

Please be advised that, as provided in our Rules and Regulations, the Notice of Intention to Drill the well is hereby voided, since operations did not commence within 180 days after the date of approval.

If you will write this office, we shall be glad to release your bond.

Very truly yours,
