

well file

05 705038

Date July 20, 1959

Gulf Oil Corporation
PO Box 1010
Casper, Wyoming

Gentlemen:

A review of our records indicates that we have not received the completion report on the following wells:

<u>Lease</u>	<u>Location</u>	<u>Field</u>	<u>County</u>
CNWSW 22-9N-78 W	McCallum South, Jackson...		

Intention filed on April 1, 1959.

Completed 8-5-59. Will furnish completion report soon as possible

We received your notice to abandon this well on 8-5-59; however, we must also have the completion report on our form OGCC-5, in order to close well file.

If this well has not been drilled to date, please advise.

According to the Rules and Regulations of the Commission, completion reports should be sent in within thirty (30) days after completion of a well. Three (3) copies for wells drilled on Patented or Federal land, and Four (4) copies for wells drilled on State lands. Some blank forms are enclosed for your convenience.

Your prompt attention to this matter will be appreciated.

Oil and Gas Conservation Commission

Leona Doucette
