<p>Inspector Michael Kester, did audit scout card and related documents conducted an follow up on-site inspection, doc 714202604. corrective actions appeared NOT to have been addressed                      Location: Lansons Farms 16                      Operator: KPK                      API#: 123-08739                      County: Weld                      While there, I observed well site with pumping unit.                      During this inspection the following possible compliance issues were observed:</p> <p>maintained in good mechanical condition per Rule 608.e.                      Corrective action date 10-22-2025</p> <p>Weather conditions: sunny and dry                      A follow up on this site inspection needs to be conducted to ensure the Compliance issues have been corrected to comply with ECMC rules.                      This inspection does not nullify any orders or NOAV from the ECMC</p>	kesterm	11/06/2025
