RE: Your Proposed #1-24 Renquist Well
to be located 330' FSL & 2310' FWL
Section 24-10N-45W
Sedgwick County, Colorado

Gentlemen:

In our phone conversation Friday afternoon, you advised that your proposed #1-24 Renquist well at its original location interferes with an overhead sprinkler system currently in operation on the premises. Accordingly, you anticipate moving the well location to avoid interference and have advised that its new location will be 330' FSL and 2310' FWL, Section 24-10N-45W.

This is to advise you that we are aware of your revised location and have no objection to such change.

Yours very truly,

CITIES SERVICE COMPANY
