RE: Keba Oil & Gas Company 31-19 Federal
NW NE Sec. 19-10N-47W
Sedgwick County, Colorado

Gentlemen:

The subject well was drilled as an exploratory field extension test in Red Lion field. One of the three leasehold interest owners within the 320-acre space unit (N/2 Sec. 19-10N-47W) on which the well is located elected not to join in the drilling of the well and not to sign an operating agreement.

As operator and on behalf of The Termo Company, Keba Oil & Gas Company hereby respectfully requests that the logs of the well be kept confidential for six (6) months after the filing date or until written permission to release subject logs at an earlier date is given.

Thank you very much.

Very truly yours,

KEBA OIL & GAS COMPANY
