ECMC Field Inspection Report Summary

This is an environmental inspection to determine progress on Spill ID 486999 and Remediation Project # 34346. Any corrective actions from previous inspections, NOAVs and/or conditions of approval from previous forms that have not been fully addressed are still applicable. There were no operator or contract environmental personnel on location at the time of this field inspection. Photos attached to document site conditions.

Site/Spill Name: MARKHAM-64N68W 15SWNW

Spill ID: 486999

Remediation Project #: 34346

Location ID: 319331

Reported Date of Discovery: 5/2/2024

Date of Inspection: 11/17/2025

Weather: Partly cloudy, 16 mph winds, 59°F

Current site status:

- Crops in the field adjacent to the location have been harvested.
- A shallow excavation/depression is visible at the spill location.
- A combination of orange construction fencing and metal panel fencing surround the spill location.
- Weeds are visible throughout the fenced area.
- Trash (black plastic sheet) is visible within the fenced area.
- Signage with emergency contact number is visible.

See attached corrective actions.

Spill/Remediation:

Comment: Remediation Project # 34346 was created for decommissioning of the MARKHAM-64N68W 15SWNW facility. Spill ID 486999 was created to address the remediation of impacts identified at the former separator. A shallow excavation/depression is visible at the spill location. Crops in the field adjacent to the location have been harvested.

Quarterly reporting is required under Remediation Project # 34346. The last Form 27 for this project was submitted 11/26/2025 and was denied by ECMC on 12/04/2025 due to the Operator reporting that additional investigation/remediation was pending crop harvest (Document # 404434342); a replacement Form 27 has not been received as of 12/8/2025.

Corrective Action: In accordance with Rule 913.e.(3), Operator will adopt and maintain a quarterly reporting schedule (90 days). Operator shall provide a replacement Form 27 for Remediation Project # 34346. Date: 12/04/2025
