Inspection Photos
Location Name: COBB #6-23
Location ID: 328366

Photo 1. Photo taken of the well location, facing north. Photo illustrates that final reclamation at the location does not meet Rule 1004 standards. The well location is contained within a fenced area.

Photo 2. Photo taken of the well location, facing west. See comments under Photo 1.

Inspection Photos
Location Name: COBB #6-23
Location ID: 328366

Photo 3. Photo taken of the well location, facing north. See comments under Photo 1. A pit has been dug adjacent to the well location.

Photo 4. Photo taken of the access road to the well location, facing east, away from the location. Photo illustrates that final reclamation activities have not taken place along the access road and gravel remains.

Inspection Photos
Location Name: COBB #6-23
Location ID: 328366

Photo 5. Photo taken of the access road to the well location, facing west, towards the location. See comments under Photo 4.

Photo 6. Photo taken of the tank battery location, facing north. Photo illustrates that final reclamation activities have taken place, but vegetation has not established to Rule 1004 standards. Gravel and weedy annual vegetation including russian thistle (*Salsola tragus*) were observed at the location.
