

Inspection Photos

Location Name: Kinder Morgan McElmo Dome 15-17-18 #YD-3

API # 05-083-06456

1. Well pad, lease road, and well sign. Note that sign lacks API number, should be included next time well sign is altered.

2. View looking from southeast of well site towards northwest. Gravel on pad is smooth with minimal undesirable vegetation observed.

3. View of well and meter run.

4. View of well and meter run.

5. View of meter and control box. Note that wires and conduit have been clipped at ground level and at meter box.

6. View of well head. Note disconnected wires.
