<p>ECMC Inspection Report Summary On Friday 12-12-2025 at approximately 1315 hrs. I, Inspector Robbie Revas, Conducted an audit of the well scout card &amp; related forms followed by an onsite inspection: Follow up to FIR # 715801374.                      Operator: KP Kauffman                      Location # 333225                      API # 05-123-07467                      Well name: Camenisch 1                      County: Weld                      Weather: Cloudy                      Temp: 51*                      Location: Dry                      While there, I observed a wellsite &amp; tank battery, SI at the time of inspection. During this inspection the following possible compliance issues were observed to have not been addressed since the previous FIR:                      606 housekeeping: Tall vegetation needs to be removed, CA date 8-25-2025.                      Any corrective actions from previous inspections that have not been addressed are still applicable.                      See attached photos.                      Due to Non-Compliance with ECMC rules, this audit/inspection will be referred to ECMC Enforcement.</p>	revasr	12/12/2025
