RE: Request for Consent to Plug Wells
8N-59W Section 34: NE4

Dear Mr. Sweeney,

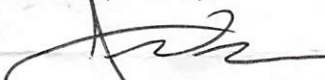

MDS Land Holdings, LLC ("MDS") is planning to drill wells from the Daffy pad, to be located in the NWSE of Section 33, T8N, R59W. In anticipation for drilling, it is necessary and required by the COGCC that MDS plug or replug old abandoned oil and gas wells within a certain proximity of the new wells to be drilled. The following well(s) required to be adequately plugged and abandoned on your lands include:

Well Name	API	Legal Description
SWEENEY 1	05-123-10096	8N-59W-34 NWNE

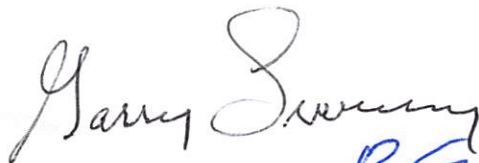

MDS respectfully requests your consent as surface owner to enter and plug these wells located on the above described surface lands. Please indicate your agreement and consent via signature below. Additionally, MDS agrees to pay \$500.00 per well location, prior to the commencement of operations.

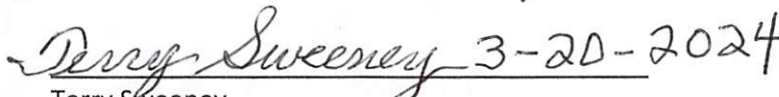

Thank you for your immediate attention to this matter. Should you have any questions, please do not hesitate to reach me at: 303-847-1110, or by email at jdunn@morninggun.com.

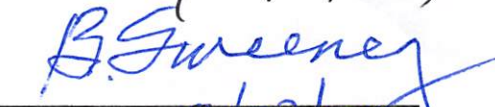

Respectfully,

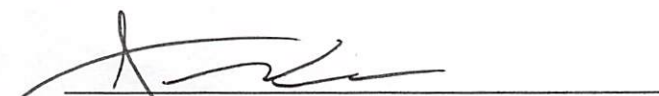

Justin A Dunn
VP of Land

Surface Owner Consent to Plug Wells
