Commission**

Department of Natural Resources

Inspection Photos  
Location Name: 1415 CORP GAS UNIT #1  
Location ID: 317711

**Photo 1.** Looking north across the former tank battery area. The fence has been relocated to include the nearby pasture. Desirable perennial vegetation was observed throughout the tank battery area and appear to have reached 80% coverage of the reference area.

**Photo 2.** Picture taken at the north edge of the tank battery area looking south across the former tank battery area. No oil and gas equipment remains on location.

Inspection Photos  
Location Name: 1415 CORP GAS UNIT #1  
Location ID: 317711

**Photo 3.** Looking west from wellbore. The wellbore was located directly adjacent east of a heavily grazed pasture. The wellbore and tank battery area appear to have reached 80% coverage of desirable perennial vegetation compared to the surrounding reference area.

**Photo 4.** Looking north from wellbore. See photo 3 comments.
