Pit Permit Waiver

Gentlemen:

In accordance with my conversation with Loren Avis we hereby request a waiver of Rule 904 e. (1) pursuant to Rule 904 b. (2) B.

The above referenced well is not in a Sensitive Area or a Wellhead Protection Area. Furthermore, the well is greater than 1/8 of a mile from a domestic water well and greater than 20 feet to groundwater. The well is going to produce less than 5 barrels of water per day on a monthly basis.

Sincerely,

Robert C. Julander,
Vice President
